Shipping Contract:

In compliance with the Transportation Security Administration's standard security Program Change 5A, this document establishes a written Contract between the Indirect Air Carrier (Benchmark Export Services) and the Shipper; the person or entity that originates and tenders cargo for a series of Air transportation shipments. In addition, shipper will agree to sign the TSA's "Aviation Security Known Shipper Re-Verification" form in order to complete the process of becoming a "known" shipper to both the Indirect Air Carrier and the Transportation Security Administration.
